For more information, or to book your place, please  
call us 01922 612121

**cert-ain**  
certification ltd

Walsall Training Centre Ltd, Unit C, Fenchurch Close, Walsall. WS2 8LJ  
www.walsalltraining.com  
walsalltraining@btconnect.com

The Gas Diploma MLP is designed for new entrants into the Gas Industry, and to get you Gas Safe Registered for the first time.

Booking places now for all options of modes of attendance.

\*Candidates are required to work alongside a Gas Safe Registered engineer, to build on site evidence portfolio.

## Electrical Training Courses

Are you looking to learn about Domestic Electrical Installations?

We have various training and assessment courses coming up over the next few months. Our brand new electrical training facility is now up and running, so get in touch for more details.

**Level 1 Installation (4 days)**

**Part P Domestic Electrical Installer**

**18th Edition Wiring Regulations Amd 4 2026**

**Inspection & Testing (Initial and Periodic)**

Please call us for more details or to answer questions you may have

**01922 612121**

[walsalltraining@btconnect.com](mailto:walsalltraining@btconnect.com)

The majority of our courses are suited for new entrants wanting to come into the electrical trade, or engineers wanting new skills.

We also offer the new 18<sup>th</sup> Edition amendment 4 2026 course for existing electrical engineers

## FUNDED AIR SOURCE HEAT PUMP TRAINING

We have now secured funding for our Level 3 qualification, in Installation and maintenance of Air Source Heat Pumps.

3 day course.

Full Course cost £100 + vat (NORMALLY £650)

Lunch & Refreshments provided

To register your interest please contact **Steve Edis** on 01922 612121 or email [info@walsalltraining.com](mailto:info@walsalltraining.com)

T&C's apply and limited spaces and dates available

Walsall Training Centre Ltd, Unit C, Fenchurch Close, Walsall. WS2 8LJ

[www.walsalltraining.com](http://www.walsalltraining.com)

[walsalltraining@btconnect.com](mailto:walsalltraining@btconnect.com)

We still have available funding to offer this ASHP full qualification.

The funding is likely to end by early 2027, so it is advisable to book on this course now, to avoid paying full cost next year.

Water Regulations qualification is also included in this 3-day course.

## INTRODUCING OUR BRAND NEW COMMERCIAL GAS TRAINING & ASSESSMENT CENTRE

WALSALL TRAINING CENTRE ARE NOW OFFERING  
COMMERCIAL GAS TRAINING AND ASSESSMENTS  
MODULES AVAILABLE INCLUDE:

HEATING  
COCN1 / CODNCO1 / CIGAI / CORT1 / CDGA1 / TPCP1 / ICPN1

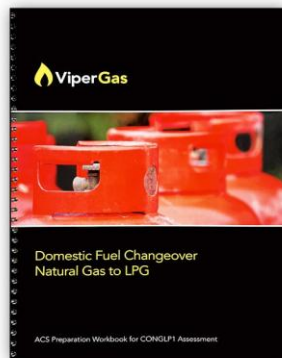

CATERING  
CCCNI / CODCI / COMCAT 1 & 3

**walsalltraining**  
CENTRE

FOR MORE INFORMATION AND AVAILABILITY CALL:  
01922 612121 / 613316 OR EMAIL: [WALSALLTRAINING@BTCONNECT.COM](mailto:WALSALLTRAINING@BTCONNECT.COM)  
WEBSITE: [WWW.WALSALLTRAINING.COM](http://WWW.WALSALLTRAINING.COM)

## COMMERCIAL GAS ASSESSMENTS

These changeover courses are proving very popular at the moment, with current gas engineers moving into the commercial HEATING or CATERING side of the industry.

Another very popular changeover course is our 2 day LPG assessment.

Covering all the elements of LPG including

Permanent Dwellings / Residential Park Homes / LAV (Caravans)

## F-GAS TRAINING

### LEVEL 3 RQF IN FLUORINATED GASES

We are now offering the fully accredited qualification (F Gas) delivered here at Walsall Training Centre. Ideally suited to experienced engineers there are 2 courses available, for Cat 1 engineers:

3 Day Introduction Course  
5 Day Full Qualification Course \*  
8 Day Combined Course

Open to all gas / heating engineers and plumbers, this is an ideal opportunity to get involved legally, working with Fluorinated gases. Air Source Heat Pumps, Air Conditioning, and Refrigeration.

For more details, costs, dates or to book on, please call Steve Edis 01922 612121 or email [info@walsalltraining.com](mailto:info@walsalltraining.com)

## F GAS – AIR CONDITIONING

With the recent heat wave and warmer weather, there has been a significant increase in domestic customers enquiring about having AC installed in their homes. Either be it in bedrooms, lounge, conservatory and even summer houses.

This qualification is a must for any engineer thinking of moving into the air conditioning market, and also for the ASHP installations.

## SUPPORTING GAS SAFETY WEEK

To support Gas Safety week (14<sup>th</sup> – 20<sup>th</sup> September) we are holding a series of training courses for all Gas Engineers, and also non-technical operatives / staff.

The 2 courses available are as follows:

- IGEM/UP1B edition 4 NEW (Testing and Purging)
- Gas Safety Awareness in residential / social housing

### IGEM/UP1B edition 4 NEW (Testing and Purging) CPD training only

We are offering a **FREE** half day CPD course on the new regulations coming into force on 1<sup>st</sup> October 2026. As you may be aware there are significant changes to the IGEN/UP/1B for Tightness Testing and purging procedures.

To help all engineers comply with these new changes, we have developed a FREE CPD course that will cover in depth theory and practical guidance, to help understand and implement this new procedure.

These sessions will be run on the following dates:

**Monday 14<sup>th</sup> September 2026 – 9.30am – 12.30pm / Wednesday 23<sup>rd</sup> September 2026 9.30am – 12.30pm**

FREE Refreshments and lunch will be provided.

CPD sessions will also be run on our:

#### GAS SAFE TRADE NIGHT

**Thursday 17<sup>th</sup> September 2026 6pm – 8.30pm**

**LIMITED SPACES ARE AVAILABLE AND OFFERED ON A FIRST COME FIRST SERVED BASIS**

**TO BOOK A SPACE PLEASE CALL US 01922 612121 OR EMAIL [info@walsalltraining.com](mailto:info@walsalltraining.com)**

### Level 2 Award in Gas Safety Awareness in residential / social housing

This is a fantastic course ideally suited to Non-Technical staff to give them understanding and basic knowledge of gas safety matters in domestic residential Homes.

The course is aimed at staff who are working for Social Housing Groups / Letting / Estate Agents / Call center staff / Care Workers etc and enhances staff development CPD and develops knowledge and understanding for matters of gas safety.

On this course you will understand different types of Gas / Appliance Flues & Ventilation requirements / Carbon Monoxide / Regulatory requirements for Landlords & Agents / requirements for competent Gas Safe engineers and actions necessary for escape of gas and reports of fumes.

This course runs over 1 and half days, it is a fully recognized qualification at Level 2, with full training theory sessions / practical and full assessment exam at the end.

Next course will be:

**Day 1: Training - 9<sup>th</sup> September 2026 9.30am – 3.30pm**

**Day 2: Training & Assessment – 10<sup>th</sup> September 2026 9.30am – 1.30pm**

**Special Offer £ 299 all incl per person (Includes all materials, books and assessment & certification fees)**

**FOR MORE INFORMATION, OR TO RESERVE A PLACE PLEASE CONTACT US**

**01922 612121 / email:[info@walsalltraining.com](mailto:info@walsalltraining.com)**
